## Testimonial

"My experience here at SMLA was great. I feel like I needed this not just for me but for my family. It has provided me with more opportunities and I see myself working for Harris County Sheriff's department in the near future. This wouldn't have been possible without SMLA."

- Freddi M. 2017 Graduate

LEARNING ACADEMY

**ST. MICHAEL'S**  
LEARNING ACADEMY

**Education is not the end, it's  
just the beginning.**

St. Michael's Learning Academy offers an alternative to traditional high school programs with our flexible schedules and our accelerated curriculum. Our program makes it possible for individuals with barriers to get their high school diploma and further their education in a way that best suits their lifestyle.

SMLA is a private school that offers flexible and convenient class schedules. We offer the following programs:

- High School Completion
- Career & Technical Education
- Summer Credit Recovery

## Start your future with St. Michael's

- Graduate faster
- Affordable tuition
- No need to repeat previously passed courses
- No STARR or TAKS exams
- Small classrooms and experienced faculty

## High School Completion

You can earn your diploma by taking the classes you have left to graduate. Read on to learn more about what makes us different:

- Accredited by Southern Association of Colleges and Schools Council on Accreditation and School Improvements ( SACS CASI )
- Member of Texas Private School Accreditation Commission (TEPSAC).
- St Michael's Learning Academy is an approved vendor with TWC's division of rehabilitative services and The Workforce Solutions where supplemental financial aid is available if you qualify.
- Affordable (payment plans available for enrollment)
- Convenient database system is accessed through the web where parents and students can see both their academic and attendance progress.
- Tier 1 approved high school by the U.S. Army and Navy
- Qualified instructors with years of experience
- Review/Tutorial Classes

## Post-secondary Career & Technical Education

Choose from a variety of career pathways to help you get a head starts on your career goals. Professional students with certificates earn about 40% more on average than those with just a high school diploma.

Post-Secondary programs offered at SMLA:

- SAP - Materials Management Business Analyst
- PMP – Project Management Professional
- Medical Records and Health Information Technician
- Network and Computer Systems Administrator
- Business Office Assistant

Accreditation by AdvancED is recognized by colleges and universities in Texas and throughout the world.
